## AMPLE STORAGE

Never lose anything around the house with ample hidden storage, with **Xoffice**

## IT'S LIKE A HOME EXTENSION

Save yourself the money and hassle of constantly rearranging your workspace to fit your home life.

**Xoffice** turns any room in your house into a home office and folds away again.

So you can work in comfort  
Your living space stays free  
and you don't need to redesign the house!

## UNWIND - DON'T GET WOUND UP

With **Xoffice** you have the key to relaxation.

Working from home no longer means your work is vulnerable to random occurrences.

Lock up the office, and feel confident that whatever happens at home, your valuable work is safe, secure, and no one else can touch it!

## STAY HOUSE PROUD

You work hard to make your home beautiful.

**Xoffice**'s stunning design is subtle enough to complement any living space, and add a touch of style.

Even though your home office is hidden away, you'll want to show it off!

## SO MUCH MORE THAN JUST A DESK

This is your office pod that allows harmonious working and living at home.

**Xoffice** will define where your work lives, hold it safely, and will blend into your home. Bring your day to an end, free up your kitchen table and keep your work safe from being swept away or damaged.
